

Rock my soul

(M: Poullie/T: Göbel)

Rock'n Roll I've got you in my soul. In my soul is only Rock'n Roll
I play my guitar in a band. I live my life in music-wonderland.
Rock'n Roll I've got you in my soul. In my soul is only Rock'n Roll
I like your style. I love that sound. I feel the beat in 19UNDERGROUND.

Ref.: Rock'n, rock'n every day. Singin, dancin, that's o.k.
Rock'n, rock'n all night long. Love'n, kiss'n on and on.

Rock'n Roll I've got you in my soul. In my soul is only Rock'n Roll
The night is cold, but you're so hot and Rock'n Roll is what we've got
Rock'n Roll I've got you in my soul. In my soul is only Rock'n Roll
I here your voice. You touch my soul. My heartbeat sounds like Rock'n Roll.

Ref.: Rock'n, rock'n every day. Singin, dancin, that's o.k.
Rock'n, rock'n all night long. Love'n, kiss'n on and on.
